BENEFITS OF INVESTING IN DUBAI

The Emirate of Dubai is the second largest of the seven United Arab Emirates and has the biggest population at over 3 million inhabitants. Size has been synonymous with Dubai as it continues to build the first, largest and the biggest constructions in the world. The emirate's scoring points lie in its entrepreneurial abilities to create the inconceivable found in its tourist attractions, landmarks,

shopping centers, parks, nightlife and hotels. With an amazing growth rate of 6.1% in 2014, Dubai has again become one of the fastest growing economies in the world. Dubai has trade relations with multiple countries in the world which aids its economy. By 2014, Dubai's largest trading partner was identified to be China followed by India and United States
